EXPERIENCE

JUNIOR CONTENT WRITER (STUDENT ROLE)

Coding Blocks, Lovely Professional University Feb 2023 - Present

- Acted as the junior content writer in LPU’s student-run technical community, Coding Blocks.
- Managed and produced written content for university-wide events, including awareness campaigns, induction sessions, coding contests, and cultural programs.
- Collaborated with event organizers, developers, and designers to deliver engaging blogs, social media posts, and promotional materials.
- Contributed to developing a structured content strategy that enhanced event reach and student participation.

CONTENT WRITER – NSS (STUDENT VOLUNTEER)

National Service Scheme, Lovely Professional University Mar 2024 – Present

- Wrote content for NSS events on health, hygiene, gender equality, and environment.
- Prepared event summaries, posters, and scripts for awareness campaigns.
- Worked with volunteers to ensure clear and consistent communication.
- Created social media and announcement content to boost student engagement.

PROJECTS

Weather Forecast Application | Tech: HTML, CSS, JavaScript Dec 2024

- Developed a responsive web application that retrieves and displays real-time weather data using the OpenWeather API, providing users with up-to-date weather conditions based on their location.
- Implemented dynamic data retrieval and presentation to ensure accurate and seamless user experience.
- Enhanced full-stack development skills by integrating a user-friendly interface with real-time API responses.
